Hi Aadil and Team,

As requested, here' s the raw audio sample I play for your group on Friday to help get you started while we work out the logistics of getting you access to more data.

Here' s also a cleaned transcript, and the coding frame, and a sample of an actual, coded transcription to give you an idea.

Let me know if you need more.

Kind regards

Owen

Hi Owen,

Hope you're going well.

Following up on our meeting last week, I' d like to request any available submarine simulation conversation audio files, transcribed text, and the coding framework. This will help us begin developing our envisioned minimum viable product.

Looking forward to your response.

Thanks,

Aadil (Member – CITS5206 Group 3)
